

SES Gurukul
Report of academic Session 2025-2026

Result of Std. X 2025-26 is 100 % ,12 students secured more than 90% and no student secured less than 60%out of 46 students.

The school team participated in the in various competitions and activities conducted by CBSE as well as other organizations such as -

- Intach Heritage Quiz – State toppers
- Cryptic Cross Word - participated in the finals conducted in New Delhi.
- Science Exhibition, Budding Authors program and Reading Challenge program
- NTMC examination - two Gurukul students got commendation certificate.
- HOMI BHABHA – performance of our students was exemplary.
- The school has been part of an initiative Pune climate warrior. Students of our school participated in plethora of activities enthusiastically to create awareness about sustainable living.
- The school continues to conduct sessions to ensure safe and secure environment. The school organized training sessions for POCSO in collaboration with Muskan for the staff and students.
- The school actively engaged with the community by inviting inspiring pioneers working in diverse fields such as scientist involved in cancer research, a documentary maker, a banker and founder member of an NGO involved in preservation of grasslands around Pune.
- The students published a bi annual school magazine “**Write Track**” showcasing their skills and creativity.
- Sagar Mitra is helping to bring environmental consciousness. Our students are collecting plastic waste to be recycled in every month.
- “**स्वाध्याय शक्ती**” as it is the motto under the guidance of the teachers continue to explore and learn complex concepts through experiential learning.

I do hope in future as well we will work toward& fulfilling our vision and mission the essence of it is awakening inner strength.
