

Subject: Std. VII-VIII Kaushal Bodh Activity

Dear Parents

Greetings to you.

As a part of Kaushal Bodh Activity, we are making Shadu Clay Ganesha on:

Day: Friday

Date: 4 September 2026

Material: Shadu Clay (provided by school), Apron and cleaning cloth (to be brought from home)

Aim:

- give children hands-on experience of skill development, costing and entrepreneurship.
- calculate the total cost involved, including materials, transport, logistics and labour.

Note:

- eco-friendly Ganesh idols will be made under Rahul Sir's supervision.
- creators will be given the first preference to purchase the idol (labour charges will be excluded).
- series of products and models integrating Science, Mathematics, Art, Creativity and other skills will be created and displayed this year.
- such experiences help nurture children who are skilled and creative to be confident, innovative and entrepreneurial.

We request you to encourage your child to participate enthusiastically in this wonderful learning-by-doing experience.

Warm regards

Latha Srikanth

Principal
